A blank square in the above table indicates that the presence of the listed allergen or traces of the listed allergen has not been reported by our suppliers.

Please be aware that there is always a risk that traces of allergens may be transferred to a product during processing, storage or preparation at store level. For these reasons we cannot guarantee that any product sold is free from traces of listed allergens.

If you have a particular sensitivity to any of the listed allergens, please contact us via email for further information prior to consumption of any of our products.

All advertised 'gluten free' products from our store have been tested by recognized laboratory. Any results showing 'less than 5mg per 1kg is considered gluten free'. We label all products according to the test results.
