A blank square in the above table indicates that the presence of the listed allergen or traces of the listed allergen has not been reported by our suppliers.

Please be aware that there is always a risk that traces of allergens may be transferred to a product during processing, storage or preparation at store kitchens. For these reasons we cannot guarantee that any product sold is free from traces of listed allergens. Therefore, no food items are sold as allergen free.

If you have a particular sensitivity to any of the listed allergens, please contact us via email to admin@sushihub.com.au for further information prior to consuming of any of our products. All gluten non-detectable products in our store have been tested by a recognised laboratory. Any results showing less than 5mg per 1kg is considered to not contain gluten.
